1. **Secretariat - Economic Services** : Provides for secretariat expenditure of the Department of Industrial Policy and Promotion.

2. **National Productivity Council**: Provides for grants to the Organisation, which was set up for generating productivity consciousness and providing productivity services to various sectors of the national economy through training programmes, seminars, productivity survey, applied research etc.

3. **National Institute of Design**: Set up to generate design consciousness in industry and to provide training, education, research and service in industrial designs like ceramic design, product design, apparel design and visual communication.

4. **Asian Productivity Organisation**: Provides for contribution towards India's membership of the Asian Productivity Organisation.

5. **World Intellectual Property Organisation (WIPO)**: Provides for contribution towards India's membership to WIPO.

6. **Project based support to Autonomous Institutions**: Provides for project based support to Autonomous Institutions viz., Quality Council of India, National Institute of Design, Central Pulp and Paper Research Institute, National Council for Cement and Building Materials, Central Manufacturing Technology Institute, Indian Rubber Manufacturers Research Association and National Productivity Council.

#### Other Administrative Services

7. **Petroleum & Explosives Safety Organisation**: Provides for establishment costs of the Organisation which administers the Indian Explosives Act, 1884, Petroleum Act, 1934 and the Inflammable Substances Act, 1952 and various rules framed thereunder. The organisation grants licences for manufacture, possession, sale, use, transport, import/export of explosives. The establishment renders advice to all authorities on matters covered by these Acts and imparts extensive training to police, airport security, senior police officials, etc in identifying explosives. The organisation coordinates with Bureau of Indian Standards, Oil Industry Safety Directorate, etc. in formulation and revision of standards related to manufacture, refining, processing, handling, storage, quality specification of explosives, etc.

#### Other General Economic Services

8 & 9. **Controller General of Patents, Designs and Trade Marks; Geographical Indications Registry**: This office is charged with the administration of laws relating to Industrial Property Right, namely, Patents Act 1970, the Designs Act, 2000, the Trade Marks Act, 1999 and Geographical Indication of Goods (Registration and Protection) Act, 1999.

10. **Modernization and Strengthening of Intellectual Property Office**: All the schemes of Controller General of Patents, Designs & Trade Marks are now merged as a new composite scheme covering Modernization of Patent office, Trade marks Registry, Design office and Geographical Indications Registry.

11. **National Institute of Intellectual Property Management**: Provides for imparting training and education research in the field of intellectual property.

12. **Economic Adviser**: This office (i) renders advice on all matters of economic policies, (ii) examines trends in industrial production and capacity utilisation, assists in formulation of industrial and import policies, (iii) examines matters pertaining to credit policy, credit planning and its availability with reference to industrial sector and specific industries, (iv) analyses fiscal

proposals and duty/levies for industry, (v) coordinates the research work concerning the industrial sector and (vi) compilation and analysis of indices of wholesale prices in India.

13. **Intellectual Property Appellate Board (IPAB)**: Set up to hear appeals against the decision of the Registrar of Trade Marks and Geographical Indications. IPAB substitutes the appellate Jurisdiction of the High Courts. The budget provision provides for the requirement of the salary and other establishment related expenses of the Board.

14. **Tariff Commission**: To meet establishment expenses of the Commission set up by Government of India on 2nd September, 1997. The Commission was strengthened subsequently by merging the erstwhile BICP into it.

15. **Salt Commissioner**: The Organisation is responsible for administration of the Salt Cess Act, 1953, and the Rules framed thereunder. It regulates the production and rational distribution of salt including iodised salt. It also regularly monitors the price and availability of salt. The budget provides for establishment charges of the organisation and for development/welfare works.

16. **Central Manufacturing Technology Institute**: Central Manufacturing Technology Institute, Bangalore is a premier R&D organisation for advancement of manufacturing technology in the metal working sector. It provides total solution in design and development of special equipments, machines and specialized advanced test systems for various strategic sectors such as Atomic Energy, Aero-Space and Defence. It caters for development of critical import substitution products for these sectors. The institute provides vital inputs to engineering industries by taking applied research and development projects in various sub-streams of manufacturing such as high-end machine tools & control systems, new generation cutting tools and innovative accessories, rapid proto-typing and tooling & Microstereolithography, Metal matrix composites for laser sintering, Advanced Testing & Diagnostics for machine tools, Laser calibration and alignment of machine tools, Robotic & Automation and other Electromagnetic Forming.

#### 17. Industrial Education, Research and Training: -

17.01 **Development Council for Pulp and Paper Industries**: This covers grants given to the Central Pulp and Paper Research Institute for its base level activities and Development Council for Paper, Pulp and Allied Industries for conducting research in pulp and paper sector.

17.02 **Technology Upgradation Fund Scheme for Paper Sector**: Provides for reimbursement of 5% interest subsidy.

18. **Development Council for Cement Industry**: Provides for research and development projects and training programmes for Cement Industry.

19. **Indian Leather Development Programme**: The main objectives of the scheme are to bridge critical gaps in infrastructure for Integrated Development of the Leather Industry, activate national agencies towards tackling perceived gaps in industry to promote and accredit productivity, value addition and employment, to undertake investment/trade developmental activities and build up an information base for the leather industry. The programme also promotes investment in the sector through a capital subsidy component.

20. **Other Schemes**: Provides for Ashok Paper Mill, Assam unit.

21. **United Nations Industrial Development Organisation**: Provides for contribution to United Nations Industrial Development Organisation.

**Other Outlays on Industries and Minerals****22. Development of Backward Areas**

**22.01 Transport subsidy to Industrial Units:** Provides for Transport subsidy to Industrial units for promoting industrialisation in hilly, remote and inaccessible areas.

**22.03 Integrated Infrastructure Development Scheme:** The scheme aims at providing basic industrial Infrastructure like water, road, transport, telecommunication, power effluent treatment and discharge, solid waste management etc. It would be applicable in the 8 States of North Eastern Region-viz. Assam, Arunachal Pradesh, Manipur, Meghalaya, Mizoram, Nagaland, Tripura and Sikkim and the eastern States of Bihar, Jharkhand, Orissa and West Bengal. Under the scheme, there would be two industrial locations each in the States of Bihar, Jharkhand, West Bengal, Orissa and Assam, for other states there would be one industrial location each.

**22.04 Packages for Special Category States of J&K, HP and Uttarakhand:** Provides for financing various schemes contained in the Industrial Policy for the States of Jammu and Kashmir, Himachal Pradesh & Uttarakhand.

**22.06 North East Industrial Package (formerly Package for North East States) :** The package contains various schemes, namely, Central Capital Investment Subsidy Scheme, Central Interest Subsidy Scheme and Comprehensive Insurance Scheme.

**23. Industrial Infrastructure Upgradation Scheme:** Industrial Infrastructure Upgradation Scheme has been formulated for accelerated and sustained industrial development by building upon its inherent strength.

**24. National Council for Cement and Building Material:** The provision is for grants to National Council for Cement and Building Material.

**25. Indian Rubber Manufacturers Research Association:** The provision is for providing grants to Indian Rubber Manufacturers Research Association. XI Five Year Plan proposals include setting up a centre of excellence in Tyre Research & Testing.

**26. Survey of Boiler:** Provides for research studies for Survey of Boiler.

**27. National Manufacturing Competitiveness Council:** NMCC was constituted as an Apex Autonomous Body to provide inputs for policy making to energise and sustain the growth of manufacturing sectors which have potential for global competitiveness and recommend national level industry/sector specific policy initiatives as may be required for augmenting growth of manufacturing sector. Besides establishment related expenses, commissioning of several studies, evaluation reports and engagement of consultants need to be undertaken to enhance the competitiveness of manufacturing sector.

**28. Scheme for investment Promotion:** International Corporation & Joint Venture, Asia Enterprises and Undertaking Investment promotion activities have been merged and provision is for the merged scheme. Scheme for investment promotion aims at promotion of foreign investment into the country.

**29. Delhi Mumbai Industrial Corridor Development Corporation:** Set up to upgrade industrial infrastructure of Delhi-Mumbai region through a project 'Delhi Mumbai Industrial Corridor' covering an overall length of 1,483 kms and passing through the States of Uttar Pradesh, Madhya Pradesh, Delhi, Haryana, Rajasthan, Gujarat & Maharashtra.

**Provision for North Eastern Region and Sikkim**

**30. North East Industrial Package (formerly Package for North East States):** This provision is earmarked for projects/schemes for the benefit of North Eastern Region and Sikkim.
